Customer meeting date/time/place:

January 26th - 8:00AM - Phone Call: initial contact

February 6th - 6:00PM - Phone Call: initial ideas

February 15th - 2:50PM - Email: confirming initial ideas

Summary: The customer is the Parker County Aggie Moms club. They want us to develop a replacement website for their current boot website. Features of the new site include various informational pages, and a display page for different styles of boots. Optionally the site should handle invoices and/or online transactions for boot sales.

User Stories:

Feature: Main Website Page

As the PCAM club

To welcome users to the site

I want to have a hub to access other services on the website

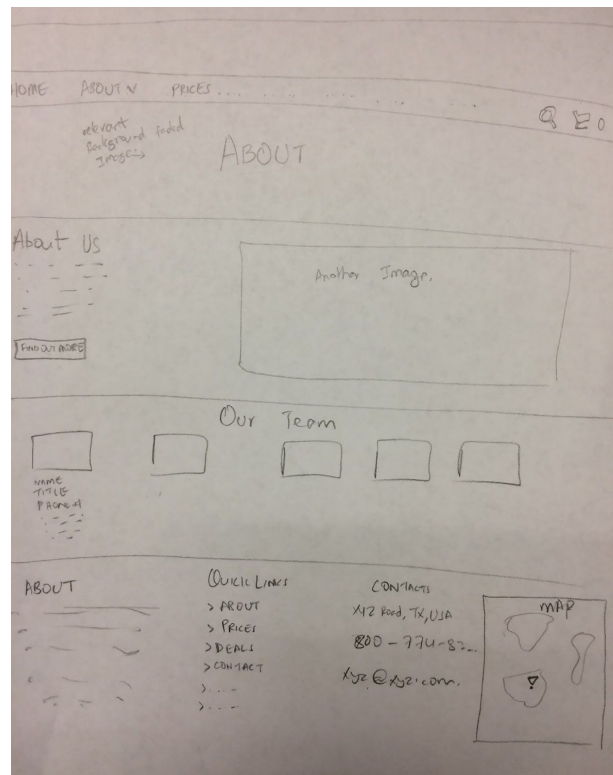

Feature: About Us Page

As the PCAM club

To inform the users about the function of the PCAM club

I want to have a page that tells users about the PCAM club

Feature: Boot Display Page

As the PCAM club

To show the different styles of boot a user can get through the PCAM club

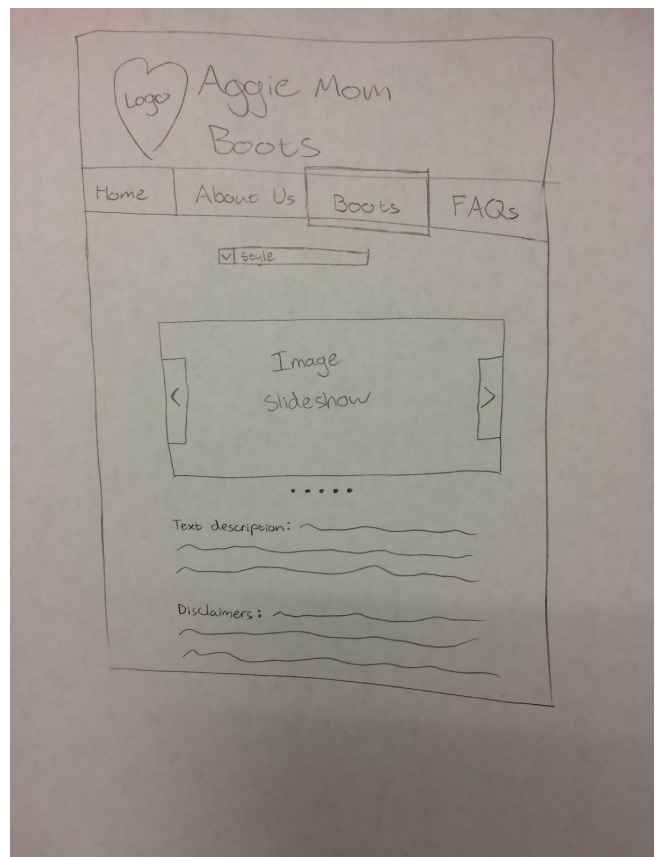

I want a page that showcases different styles of boots

Feature: Other Apparel Page

As the PCAM club

To show the other apparel that a user can get through the PCAM club

I want a page that showcases our other apparel

Feature: Frequently Asked Questions Page
As the PCAM club
To answer the frequently asked questions
I want a page that will answer any common and
frequent questions
